

Hey Frostburners!

You've read the [Survival Guide](#)

You've read [The Ten Principles](#)

You've bought your [Tickets](#).

Now you're wondering, what's next? What can I do to help make sure that Frostburn 2015 happens? We're glad you asked! We need your help from the ground up! Make it happen, make it functional, make it beautiful, make it burn!

### **Contests**

Submissions for the Frostburn effigy, affectionately, but not always accurately referred to as The Snowman, well, they're open! Submissions are being accepted until Monday, December 15th, the selected effigy team will be notified Friday, December 19th. Frostburn is offering a \$500 grant to the effigy team as well as guaranteed early arrival access

<http://frostburn.org/contests/effigy-submission/>

Submissions for the Frostburn 2015 laminated ticket art is now open, we are accepting submissions until December 15th. Our laminates are intended as more than just proof of entry, they are also a keepsake to remember your time on the tundra and to let others know that you were here. The designs should be creative and fun, but simple enough to print clearly in the 2"x3" format. Frostburn will take care of the printing and lamination, so there is nothing for you to do other than be creative!

### **Volunteer**

Frostburn is a community run event. We're all volunteers. Frostburn doesn't happen without you or me. Please volunteer for DPW, Greeters, Gate and Parking, Rangers, Medics, Fire Conclave, and/or Staff Assistants. For more information on what each position entails, visit the Volunteer Section of our website: <http://frostburn.org/volunteer/>.

Now that you're acquainted with the volunteer positions, take a minute to fill out this volunteer interest form! The form can be accessed here: <http://goo.gl/forms/yaT17XmNCY>. Once we get some preliminary information from you, we'll be in touch for next steps (scheduling volunteer shifts, training, answering other burning questions, etc.). In the meantime, you can always contact Kimmy, our Volunteer Coordinator: [kimbellora@gmail.com](mailto:kimbellora@gmail.com).
