Effigy and Art Design Winners

Slightly delayed, but definitely worth the wait! It is with great pleasure that we announce the effigy and ticket art design for Frostburn 2015.

Congratulations to the effigy built team for [Frostburn Underwater](#) and the [Frostburn Underwater](#) art design team!

While both entries are part of the same theme and come from the same team, they were submitted separately and selected independently by range vote.

A big HUGE thank you to the volunteers who participated in the review and voting process.

Ticket Sales Price Change

Woah, it's already December 26th. You know what that means? The first tier tickets sales end and we jump to tier two in 5 days! Seriously, you have until Midnight on December 31st to get tier 1 (\$50.00) at 12:00AM tier 2 kicks in (\$75.00) No backsies.

[Buy your ticket!](#)

Firewood Facts

Yes! Firewood is still on sale through the Brown Paper Ticket Website, you can still buy it by the cord or wheelbarrow load. You will be able to buy wheelbarrow loads for \$20 at the gate, but why wait? Why deal with cash at the event? [Buy your firewood here!](#)

Unless otherwise specified, all cordwood and wheelbarrow loads of wood will be picked up from a centralized firewood depot. Pre-purchased cords of firewood will be labeled with the theme camp, art installation, or purchaser name. You can pick up wheelbarrow load(s) of firewood either purchased before the event or purchased on-site at Gate, from the cords labeled "wheelbarrow." Please do not take it from a cord labeled for theme camp, art piece, individual, or Frostburn infrastructure use.

Personal Fires

We are asking you to bring a burn barrel or fire pit this year to help minimize the number of burn scars left on the land. Burn scars are MOOP and we want to leave Marvin's better than we found it.

Volunteer (right now! please?)

Frostburn is a community run event. We're all volunteers. Frostburn doesn't happen without you or me. Please consider volunteering for DPW, Greeters, Gate and Parking, Rangers, Medics, Fire Conclave, and/or Staff Assistants. For more information on what each position entails, visit the Volunteer Section of our website: <http://frostburn.org/volunteer/>.

Now that you're acquainted with the volunteer positions, take a minute to fill out this volunteer interest form! The form can be accessed here: <http://goo.gl/forms/yaT17XmNCY>. Once we get some preliminary information from you, we'll be in touch for next steps (scheduling volunteer shifts, training, answering other burning questions, etc.). In the meantime, you can always contact Kimmy, our Volunteer Coordinator: kimbellora@gmail.com. We can't wait to see you on the Tundra!

Registration Deadlines

[Theme Camp Registration](#) is open until January 20th

[Art Registration](#) is open until January 31st

[Event Registration](#) is open until January 31st

If you have registered a theme camp, art installation or event but have not received a confirmation email either from Frostburn or from Placement, please email us at support@frostburn.org

If you are interested in helping to put the What? Where? When?! guide together please email notolivia@gmail.com

Pets and Animals

Frostburn is not a pet friendly event. If you bring your animal we will have to ask you and your creature to leave. Please do not put us in the position of having to ask you to leave, find a warm and comfortable spot off-site for your furry (or not so furry) friend. Please contact us before the event at support@frostburn.org if you have a registered service animal.

Financials

The financial report for Frostburn 2014 has been turned into Burning Man and published on the Frostburn website. <http://frostburn.org/financials/>

Share the warmth!
